Memorial Day is Monday May 27. This federally recognized holiday is to remember those men and women who gave the ultimate sacrifice for their county. Memorial Day started after the Civil War in 1878 to decorate the graves of those who lost their lives in the war. The story behind the artificial red poppy sold across America. In the early 1900's American humanitarian Moina Michael wrote 'And now the Torch and Poppy Red, we wear in honor of our dead.' Moina campaigned to make the poppy a symbol of remembrance of those who had died in the war. How does your family show their respect for the men and women who serve our country. Let Memorial Day be more than a day for barbeques and campfires, let Memorial Day stay a somber day to gives thanks to those who chose to make the ultimate sacrifice and serve their country. We can never thank them enough for all they are and have done for us.

In honor of all those who served and are currently serving their country, the city of Brook Park in cooperation with the American Legion Post 610 will be hosting a parade. Kicking off the parade at 10a.m will be post 610 with Joe Humenik leading the way. The parade will leave the Brookgate Shopping Plaza heading south on Smith Road. After a right turn on Sylvia Drive the parade will end at Kennedy Park. In tradition, there is a solemn celebration in remembrance. Our United States Flag is quickly raised to the top of the pole, then solemnly lowered to half-mast. At noon, service members will raise the flag in honor and remembrance of those who have gone before them and those still currently serving their county. It is with great respect that we at Humenik Funeral Chapel would like to thank each and every one of you who have made the sacrifice or have a family member who has served their country. Let's spend the day with family and bring the kids to the Brook Park Memorial Day Parade and together show the community that we respect and honor those who have served their country. Happy Memorial Day from our family to yours. Don't forget to thank a veteran!

See you along the parade route, remember the parade starts at 10 a.m. leaving from the Brookgate Shopping Plaza and is ending at Kennedy Park.

### Mother's Day

Mothers Day is Sunday May 12th. Did you know mothers day became an official holiday in 1914. The tradition of honoring mothers dates back to the ancient Greeks and Romans. The modern holiday to celebrate mothers day was initiated by Anna Jarvis, the daughter of Ann Reeves Jarvis. Following her mother's 1905 death, Anna conceived the idea of Mother's Day as a way of honoring the sacrifices mothers made for their children. Think back to your childhood how many hard times did you put your mother through. Looking back I can think of many headaches I caused my mother. Taking a day to step back from our busy schedule and call mom can mean a lot. Take mom out for dinner or bring her some flowers. If you can't see your mom on mothers day, why not give her a call and see how she is doing. Mothers are always there for their children, lets be there for mom on Mothers Day to remind her how much she means to us.

We at Humenik Funeral Chapel want to wish all mothers a Happy Mothers Day!

### Father's Day

Father's Day is Sunday June 16th. Fathers day became a national day to honor fathers in 1972, that's 58 years after Woodrow Wilson declared Mother's Day a holiday. Father's Day did not kick off like Mothers Day because many men thought the holiday was a commercial gimmick for local companies to sell more product. During the Great Depression marketers tried to make Father's Day a second Christmas for fathers with gifts such as neckties, pipes and tobacco. It was not until 1972 when Richard Nixon signed the proclamation making Father's Day a federal holiday that people across America started celebrating Father's Day as a holiday.

How will you spend Father's Day this year? Maybe take dad out for dinner or sit back and watch a game together. However you choose to spend fathers day is the best way. Take a day to spend time with dad and remind him how much he means to you. To all the dads near and far we want to wish you a happy Father's Day.
